

First Aid at Work (2009)

Course fee – only £1295 + VAT for up to 12 delegates

A three day training course operated and delivered in accordance with current Health & Safety Executive guidelines. This course is a nationally recognized qualification and is valid for three years. In line with new HSE guidelines effective from 1st October 2009

Course topics:

- Health & Safety legislation
- Accident reporting & Incident Management.
- Unconscious casualty Management & Recovery position
- Cardiopulmonary resuscitation
- Bleeding
- Shock
- Fractures
- Poisons & Burns
- Head injuries
- Common Medical conditions.

3 day course – could be one day a week as required, recommended over 3 consecutive weekdays

A theory assessment is taken on the last day and a practical assessment incorporating practical skills learnt on the course is undertaken by all delegates in order for certification to be awarded.
